SCHEDULE 1: INTERPRETATION

- 1. **Definitions**

PART 1: GENERAL

1. Name

These Regulations are the *AIFC Regulations on AIFC Acts 2017*.

2. Date of enactment

These Regulations are enacted on the day they are adopted by the Governor.

3. Commencement

These Regulations commence on 1 January 2018.

4. Legislative authority

These Regulations are adopted by the Governor under article 4 of the Constitutional Statute and subparagraph 3-2) of paragraph 9 of the Management Council Resolution on AIFC Bodies.

5. Application of these Regulations

- (1) These Regulations apply within the jurisdiction of the AIFC.
- (2) However, these Regulations do not apply to an internal document of an AIFC Body.
- (3) In this section:

internal document, of an AIFC Body, means a document relating to the day-to-day operations of the AIFC Body or another AIFC body that does not bind or directly affect a Person other than an AIFC Body.

6. Interpretation

Schedule 1 contains definitions and other interpretative provisions used in these Regulations.

7. The objectives of these Regulations

The objectives of these Regulations include:

- (a) defining the system of Acting Law of the AIFC and AIFC Acts; and
- (b) providing certainty about the rights, liabilities and obligations of Persons in relation to civil and commercial matters arising in the AIFC; and
- (c) allowing Persons, in certain circumstances, to adopt the law of another Jurisdiction in relation to civil and commercial matters arising within the AIFC.

PART 2: ACTING LAW OF THE AIFC

CHAPTER 1–DEVELOPMENT, APPROVAL AND ADOPTION OF AIFC ACTS

8. Hierarchy of Acting Law of AIFC

- (1) Correlation of legal force of Acting Law of the AIFC is construed in accordance with the following descending levels:
 - (a) paragraph 3-1 of article 2 of the Constitution of the Republic of Kazakhstan; and
 - (b) the Constitutional Statute; and
 - (c) the Management Council Resolution on AIFC Bodies; and
 - (d) Regulations; and
 - (e) Rules; and
 - (f) other Acts of relevant AIFC Bodies adopted to regulate specific issues.
- (2) If AIFC Acts of different levels are inconsistent, the AIFC Act of the higher level prevails over the AIFC Act of the lower level to the extent of the inconsistency.
- (3) If AIFC Acts of the same level are inconsistent, the later adopted AIFC Act prevails over the earlier adopted AIFC Act to the extent of the inconsistency.
- (4) For this section, an AIFC Act (the **first AIFC Act**) must not be treated as inconsistent with another AIFC Act (the **second AIFC Act**) only because it has provisions that deal with a matter dealt with by the second AIFC Act if the provisions of the first AIFC Act can be obeyed without contravening the second AIFC Act.

9. Details and formalisation of AIFC Act

An AIFC Act must contain, or be published accompanied by, the following details:

- (a) an indication that it is an AIFC Act and of its form as an AIFC Act (for example, Regulations or Rules);
- (b) a unique name that indicates briefly the general subject matter of the AIFC Act;
- (c) the place and date of adoption of the AIFC Act; and
- (d) the registry number of the AIFC Act.

9-1. Proposals for AIFC Acts

- (1) Before an AIFC Body adopts an AIFC Act, the AIFC Body must ensure that:
 - (a) each of the following documents has been prepared, and approved by it:
 - (i) a policy paper explaining, in non-technical language, the intended purpose and operation of the proposed AIFC Act and impact of the proposed AIFC

Act on the approved annual and mid-term budgets of the AIFC, including estimates of its impact on the income and expenditure of the AIFC and of each AIFC Body that may be affected by the proposed AIFC Act (an **affected AIFC Body**);

- (ii) a draft of the proposed AIFC Act; and
 - (b) a copy of each of the documents has been provided to each other AIFC Body; and
 - (c) each other affected AIFC Body has been consulted about the proposed AIFC Act; and
 - (d) if the proposed AIFC Act may require an increase in the expenditure of the AIFC or of any AIFC Body, the increased expenditure has been approved by the AIFCA.
- (2) Failure to comply with subsection (1) in relation to an AIFC Act does not affect the validity or enforceability of the AIFC Act.

10. **Public consultations**

- (1) Before an AIFC Body adopts an AIFC Act, the AIFC Body must ensure that the proposed AIFC Act, and a policy paper explaining, in non-technical language, the intended purpose and operation of the proposed AIFC Act, are made available for public consultation for a period of at least 30 days.
- (2) Before adopting the proposed AIFC Act, the AIFC Body must consider the submissions made to it about the proposed AIFC Act during the public consultation period and must make the changes to the proposed AIFC Act that it considers desirable having regard to the submissions.
- (3) However, the Governor may, in writing, exempt an AIFC Body from the requirement under subsection (1) to make a proposed AIFC Act available for public consultation, or may approve a shorter period of public consultation for a proposed AIFC Act, if satisfied that the exemption or approval is justified in the interests of the AIFC.
- (4) Failure to comply with this section in relation to an AIFC Act does not affect the validity or enforceability of the AIFC Act.

11. **Approval by relevant state bodies and organisations**

Before an AIFC Body makes an AIFC Act, the AIFC Body must obtain the approvals of the state authorities and organisations of the Republic of Kazakhstan required by the Constitutional Statute.

12. **Powers to adopt AIFC Acts**

- (1) The Management Council has power to adopt AIFC Acts, by resolutions in the form of regulations and minutes, on the matters within its competence as stipulated by the Acting Law of the AIFC and to the extent specified by paragraph 3 of article 4 and article 10 of Constitutional Statute.
- (2) The Governor has power to adopt AIFC Acts, in the form of regulations, rules and orders,

on the matters within the Governor's competence as stipulated by the Acting Law of the AIFC and to the extent specified by paragraph 3 of article 4 of Constitutional Statute or that are not within the competence of other AIFC Bodies in accordance with the Acting Law of the AIFC.

- (3) The AIFCA has power to adopt AIFC Acts, in the form of rules and other AIFC Acts, on the matters within its competence as stipulated by the Acting Law of the AIFC and to the extent specified by article 11 of Constitutional Statute.

- (2) However, the AIFCA must register the AIFC Acts adopted by the Management Council and the Governor.
 - (2-1) If an AIFC Body (other than the AIFCA) submits a proposed AIFC Act to the Management Council or the Governor for adoption, the AIFC Body must immediately inform the AIFCA.
 - (2-2) Failure to comply with subsection (2-1) in relation to an AIFC Act does not affect the validity or enforceability of the AIFC Act.
- (3) An AIFC Body must number the AIFC Acts of a particular kind adopted by it in a year as nearly as practicable in the order in which they are adopted.

14. Commencement of AIFC Act

An AIFC Act commences on the date provided by the AIFC Act or, if no date is provided, on the day it is adopted.

 - (b) that an electronic copy of any AIFC Act or Regulatory Material accessed at, or downloaded from, an Approved Website for an AIFC Body and which reasonably appears to be authorised by the AIFC Body (however expressed) is an authorised electronic version of the AIFC Act or Regulatory Material; and
 - (c) that any other electronic copy of any AIFC Act or Regulatory Material which reasonably appears to be authorised by the AIFC Body (however expressed) is an authorised electronic version of the AIFC Act; and

 - (e) that an electronic version of any AIFC Act or Regulatory Material which reasonably appears authorised by the AIFC Body (however expressed) and to be a version of the AIFC Act or Regulatory Material as in force (however described) at any time or during any period correctly shows the AIFC Act or Regulatory Material as in force at that time or during that period.

18. Notice of certain matters

- (1) Proof is not required about:

- (3) However, the Court must consider whether any source that it intends to use appears to be a reliable source of information.
- (4) For subsection (3), an authorised electronic version of any AIFC Act or Regulatory Material is a reliable source of information.
- (5) This section does not limit any other provision of any AIFC Act.

19. Preparation of AIFC Acts and Regulatory Material for publication

- (1) In preparing an electronic version of any AIFC Act or Regulatory Material adopted by an AIFC Body for publication, the AIFC Body may:
- (a) make editorial amendments, and other textual amendments of a technical or formal nature; and
 - (b) make other editorial changes by way of format, layout, presentation or printing style.
- (2) However, this provision does not permit the making of any amendment of an AIFC Act or Regulatory Material that would change the legal effect of the AIFC Act or Regulatory Material.
- (3) For subsection (1), an **editorial amendment** is an amendment that:
- (a) updates or corrects a reference to, or to any provision of, any AIFC Act or Regulatory Material; or
 - (b) goes only to a matter of spelling, punctuation, or the use (or non-use) of conjunctives, disjunctives or capitals; or

PART 3: INTERPRETATION OF AIFC ACTS

20. Exercise of powers before commencement

- (1) This section applies to a power under a provision of an AIFC Act to make an appointment, adopt any rules or guidance, or do anything else, in the following situations:
 - (a) the power is given by a provision (the **authorising provision**), but the authorising provision has not commenced; or
 - (b) the power is given by a provision (the **authorising provision**) as amended by another provision (the **amending provision**), but either or both of the provisions have not commenced.
- (2) The power may be exercised at any time even though the authorising provision, or the authorising provision and the amending provision (or either of them), is not in force at the time.
- (3) For the exercise of the power, the authorising provision, or the authorising provision and amending provision, are taken to be in force at the time of the exercise of the power.
- (4) Also, anything else may be done under the power at any time for the purpose of bringing, or in relation to bringing, the authorising provision, the authorising provision as amended by the amending provision, or any other provision of the AIFC Act containing the provision or the AIFC Acts containing the provisions, into operation.
- (5) However, the exercise of the power under this section does not give a power or right, or impose an obligation on a Person, before the commencement of the relevant provision or provisions except so far as is necessary or convenient for the purpose of:
 - (a) bringing anything done under the power into effect; or
 - (b) bringing the AIFC Act containing the provision, or the AIFC Acts containing the provisions, fully into operation; or
 - (c) making that Act or those Acts fully effective at or after the commencement of the relevant provision or provisions.

 - (c) if a relevant provision of the relevant AIFC Act has been repealed and readopted (with or without changes) in another AIFC Act since the reference was made—the AIFC Act in which the provision was readopted (or last readopted), as in force when the provision was readopted (or last readopted), and as amended from time

to time since the provision was readopted (or last adopted).

- (3) To remove any doubt, if the name of an AIFC Act (the **first AIFC Act**) is amended (including by substitution), a reference in an AIFC Act to the first AIFC Act by its name before the amendment includes a reference to the first AIFC Act by its name as amended.

25. **Effect of examples**

 - (b) no time is provided to do the thing.
- (2) The thing must or may be done as soon as reasonably practicable and as often as needed.

33. **Continuing effect of obligations**

If, under a provision of an AIFC Act, an act is required to be done, the obligation to do the act continues until the act is done even if:
