(...)

\*Supervision fees prescribed herein are applied from 1 May 2022. Before 1 May 2022, these fees are not applied.

### **Notes**

**\*\*1.** For Operating a Multilateral Trading Facility, ~~and~~ Organised Trading Facilities ~~es~~ or Operating a Digital Asset Trading Facility, fixed component of the annual supervision fees must be paid in full to the AFSA on a yearly basis on or before 1 January of every calendar year and variable component of the annual supervision fees must be paid in full to the AFSA on a quarterly basis following each quarter.

**2.** For Operating a Multilateral Trading Facility, Organised Trading Facility or Operating a Digital Asset Trading Facility, variable fee is calculated on a quarterly basis by multiplying the average daily trading value by the active trading days in the relevant quarter.

**3.** The following is an example of how the variable fee is calculated for Operator of a Digital Asset Trading Facility:

(a) Average daily trading value of a Digital Asset Trading Facility is 450 000 USD in quarter 1, the variable fee will not be applied in quarter 1;

(b) Average daily trading value of the firm is 1 million USD in quarter 2, the variable fee will be calculated as follows: 1 million \* 90 (average trading days in quarter) \* 0.0006% = 540 USD. As 5 000 USD is more than 540 USD, the variable fee will be 5 000 USD for quarter 2;

(c) Average daily trading value of the firm is 5 million USD in quarter 3, the variable fee will be 2 700 USD. As 5 000 USD is more than 2 700 USD, the variable fee will be 5 000 USD for quarter 3;

(d) Average daily trading value of the firm is 10 million USD in quarter 4, the variable fee will be 5 400 USD for quarter 4.

Thus, the firm must pay 15 400 USD as the variable fee for that year.

**4.** Variable fee is paid quarterly (paid within 21 days after the issuance of an invoice by the AFSA, but no later than within 1 month following each corresponding quarter).

### **6.1-1 Annual supervision fee in relation to Digital Assets**

An Authorised Firm conducting Regulated Activities in relation to Digital Assets, except for the Regulated Activity of Operating a Digital Asset Trading Facility, must pay to the AFSA an additional annual supervision fee in the amount of 2 000 USD.
